## **Meeting Needs**

We can't meet needs until we understand STEWARDSHIP.  
Psalm 24:1

## **What Is Stewardship?**

Many people think stewardship is having a budget and trying to get out of debt. Some think it's writing a check to the church each month. Some think it's taking care of the environment. But those things only scratch the surface of the biblical concept of stewardship. Being a steward means recognizing that everything you have belongs to God (Ps. 24:1)

### **1. Stewardship Is Wise Money Management**

Remember the LORD your God, for it is he who gives you the ability to produce wealth. (Deut. 8:18)

### **2. Stewardship Is Wise Time Management**

Socrates warned, “Beware the barrenness of a busy life.” Stewardship is not just about money. It's also about how we spend our time.

Be very careful, then, how you live—not as unwise but as wise, making the most of every opportunity, because the days are evil. (Eph. 5:15–16)

### **3. Stewardship Is Wise Talent Management**

Stewardship also includes the gifts and talents God has given us. “As each has received a gift [we are to] use it to serve one another, as good stewards of God's varied grace” (1 Pet. 4:10 ESV).
